COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, SEPTEMBER 3, 2002

COMMONWEALTH OF VIRGINIA, ex rel.

STATE CORPORATION COMMISSION

CASE NO. PUC-2002-00179

Ex Parte: In re amending the
certificated service territories
of local exchange carriers

ORDER AMENDING CERTIFICATED SERVICE TERRITORIES

Section 56-265.4:4 B 1 of the Code of Virginia ("Code"), which became effective July 1, 2002, states that the State Corporation Commission ("Commission") "shall amend the certificated service territory of each local exchange carrier that was previously certificated to provide service in only part of the Commonwealth to permit such carrier's provision of local exchange service throughout the Commonwealth beginning on September 1, 2002, unless that local exchange carrier notifies the Commission prior to September 1, 2002, that it elects to retain its existing certificated service territory."

By correspondence dated on or about August 12, 2002, the Director of the Commission's Division of Communications advised all certificated incumbent and competitive local exchange carriers ("LECs") of the statutory provisions above. Burkes Garden Telephone Company has notified the Commission that it elects to retain its existing certificated service territory.

NOW THE COMMISSION, pursuant to § 56-265.4:4 B 1 of the Code, amends the certificated service territory of each LEC, other than Burkes Garden Telephone Company, that was previously certificated to provide telecommunications services in only part of the Commonwealth to permit such carrier's provision of local exchange telecommunications services throughout the Commonwealth, effective September 1, 2002.

Accordingly, IT IS ORDERED THAT:

(1) The certificated service territory of each local exchange carrier that was previously certificated to provide telecommunications services in only part of the Commonwealth shall be deemed amended, effective September 1, 2002, to permit such carrier's provision of local exchange telecommunications services throughout the Commonwealth. This ordering paragraph shall not apply to Burkes Garden Telephone Company.

(2) A copy of this Order shall be placed with the certificate of each local exchange carrier kept on file in the Commission's Division of Communications.

(3) This matter is dismissed.
